

The background of the entire page is a complex, abstract digital network. It consists of numerous glowing blue lines of varying thicknesses that intersect and connect at various points, creating a dense, web-like structure. Some nodes or points of intersection are highlighted with small, bright red and pink spheres. The overall effect is that of a dynamic, interconnected digital space, possibly representing a network, data flow, or a virtual environment. The colors are primarily shades of blue and cyan, with occasional red and pink accents.
